Site: 001

FORSYTH PARK ZOO

Type: ROUTINE INSPECTION

Date: 30-MAY-2025

3.154

Environment enhancement to promote psychological well-being.

Multiple forms of enrichment are being offered to all birds at the facility, however an environmental enhancement plan has not been documented. A documented species specific plan is required to verify the facility is adequately promoting the psychological well-being of birds. In addition, the plan must be approved by the attending veterinarian. The facility must document the enrichment plan for birds.

*****Correct by June 30, 2025

This inspection and exit interview were conducted with the licensee.
