Contingency planning.

The facility has not performed or documented an annual review of their contingency plan. The last review was performed in July 2023. Contingency plans must be in place and reviewed annually to ensure it adequately addresses the criteria listed in paragraph (a) of this section and is still relevant to the facility and animals. The plan must provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster. Correct by 26 December 2024 by reviewing the facility's contingency plan at least once a year and by maintaining documentation of the review.

This inspection and exit interview were conducted with a facility representative.
