ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30am on 09-May-18.

On Wednesday, May 9, 2018, at approximately 11:30 am, a responsible person was not available to conduct an inspection. Inspector spoke to Mrs. King at the facility. Mr. King was not at home and she was unable to accompany inspection today due to out of town visitors expected to arrive within an hour. We established optimal hours of inspection as Tuesday, Wednesday, Thursday afternoons. Please call inspector's cell phone if availability changes. This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals.

A responsible person must be available to accompany the inspector on an animal welfare inspection.

Correct from this day forward
