A responsible adult was not available to accompany APHIS Officials during the inspection process starting at 10:18 AM on 13-DEC-2023. The inspector first attempted to make contact at the facility starting at 10:18 AM via phone call and text message to the licensee however there was no reply. A phone call to a secondary facility contact was attempted at 10:23 AM however there was no reply. A voicemail was left by the inspector for both the licensee and the secondary facility contact. A phone call was made to another, additional facility contact at 10:26 AM however there was no answer and the voicemailbox was full so the inspector was unable to leave a message. The inspectors waited at a nearby gas station as well as at the outer gate of the facility. After waiting 42 minutes, a text message was sent to the licensee at 11:00 AM notifying them that inspectors were leaving the area.
