

Inspection Report

City Of Pocatello Zoo Idaho
3101 Ave. Of The Chiefs
Pocatello, ID 83204

Customer ID: 3486

Certificate: 82-C-0003

Site: 001

CITY OF POCATELLO ZOO IDAHO

Type: ROUTINE INSPECTION

Date: 25-MAY-2016

3.125(a)

FACILITIES, GENERAL.

- The male coyote was found dead, and the female coyote was injured, inside their enclosure from an apparent wild animal attack.
- The coyotes' housing facility shall be maintained so as to protect the coyotes from injuries. An enhanced program of maintenance that involves steps that protect the coyotes from injuries must be utilized, so this noncompliance does not repeat.
- To be corrected by: June 14, 2016

3.127(d)(2)

FACILITIES, OUTDOOR.

- Along the south perimeter fence is a rock cliff. The perimeter fence stops at the top of the cliff and starts back up at the bottom after an approximately 40ft. to 50ft. drop. The opening in the perimeter fence is 40ft. to 50ft. along the sheer face of the rock cliff.
- Where the outdoor housing facility is protected by an effective natural barrier that restricts entry by animals and unauthorized persons a written approval may be issued from the Administration. A current written approval is not on file for this section of the perimeter fence. Action must be taken to enclose this section of the perimeter fence or working with the administration to see if a written approval can be issued for this section of the perimeter fence.
- To be corrected by: July 30, 2016

Exit interview was conducted with facility representative.
