#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:04pm on 07-NOV-2022.

The inspector arrived at the facility and left a voicemail at the number on file for the location. The inspector also knocked on the entrance door. A second attempt was made to contact the facility by phone and the inspector was able to reach a facility representative and confirm that no one was available to do an inspection.
