Type: RE-LICENSE INSPECTION
Date: 08-APR-2024

2.75(b)(1)

Records: Dealers and exhibitors.

There were no records of acquisition or record of animals on hand available at the time of the inspection for the chickens and duck on the premises.

Per this Section of the Regulations, exhibitors shall make and maintain complete records regarding the details of the acquisition and disposition of animals in their possession in order to account for all animal transfers and the sources of the animals. Records of acquisition and a record of animals on hand need to be prepared for these birds and for all future animal acquisitions and dispositions.

3.154

Environment enhancement to promote psychological well-being.

The written plan developed by the Licensee for environmental enhancement to promote the psychological well-being of the birds on the premises had not been reviewed and approved by the Attending Veterinarian.

Per this Section, exhibitors must develop, document, and follow a species-appropriate plan for environment enhancement to promote the psychological well-being of birds. The written plan must be approved by the Attending Veterinarian and must be in accordance with currently accepted professional standards.

This is a 1st Re-license Inspection for a Class "C" license. The inspection and exit briefing were conducted with the Applicant.

All items must be in compliance within 2 more inspection(s) or by 6/8/24 (60 days) or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-license Inspection.

All three sites used for regulated activity must demonstrate full compliance with the Animal Welfare Act prior to issuance of a license. Regulated activity may continue at all regulated sites until expiration of the current license (4/9/24). At that time, conducting regulated activity from any site without a valid USDA license is a violation of the Animal Welfare Act.
