#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:45pm on 1 May 2024. The inspector made contact with the licensee by calling them on their cell phone and the licensee told the inspector no one was at the facility for an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
