**Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:55AM on 8/15/2023.

I knocked on the door and then called the number on file which the phone service said has been disconnected. When back at my vehicle an individual arrived and parked in the driveway. The person said that the licensee has moved to another state and donated out their animals prior to moving. The individual said that they would not have any updated contact information and are unable to contact the licensee.

Note: Please contact our main office (970-494-7478) to update your license status.
