ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The program of veterinary care lacked dated evidence that the attending veterinarian had made a regularly scheduled visit to the premises of the exhibitor within a calendar year.

Lack of regularly scheduled visits may result in inadequate veterinary care being provided to the five dogs. A visit by the attending veterinarian must be documented with the date and signature of the veterinarian and scheduled within the time frame documented on the program of veterinary care.
