Access and inspection of records and property; submission of itineraries.

At the time of the inspection, the Program of Veterinary Care (PVC) required under the Animal Welfare Act (AWA) could not be located. As a result, the PVC could not be reviewed during the inspection.

Per this Section, all documents that are required to be kept under the AWA should be available at the time of an inspection so the required documents can be reviewed to determine compliance with the provisions of the AWA. Copies of all documents and records required under the AWA must be kept on the premises and available for review. Correct by December 23, 2024.

This inspection and exit interview were conducted with a facility representative.
