FACILITIES, GENERAL.

At time of this inspection the power for the building was off. Licensee stated that help is needed to change the fluorescent bulbs that are hanging from the ceiling. The light needs to be made available to conduct an inspection and to facilitate the husbandry of the rabbits. Reliable and adequate electric power is required..

Correct by: 06-12-2016.

The exit briefing was conducted with the Owner and the inspection report is being sent via USPS as the licensee had to leave the facility upon completion of inspection of the facility and records. License does not have access to email.
