### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

I called the licensee and honked the horn. The number did not allow you to leave a message so I texted them. After waiting about 30 minutes, I called again without being able to leave a message. I texted the licensee again letting them know I was leaving the premises. A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:00 am on 6-July-2022.
