#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30 pm on March 25, 2025. A family member was present and said the licensee was not present. The inspector talked to the licensee on the phone and confirmed that they would not be able to return to complete an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
