### 2.126(c) REPEAT

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

An inspection was attempted at the licensee's home site at 15:45 hours on 09/12/2016. An adult (not a representative of the licensee) at that location stated that the licensee was not there and to her knowledge was not in the state at the time. The licensee could not be reached by telephone at the number provided to the USDA. No current itinerary has been received by USDA-APHIS-Animal Care that accounts for this travel.

In the case of traveling exhibitors, itineraries must be submitted to USDA via fax, mail, or electronic mail at least two days prior to any overnight travel. The itinerary should contain complete and accurate information concerning the whereabouts of any animal intended for exhibition at any location other than the person's approved site. The submission of itineraries allows USDA to conduct inspections in order to assess the welfare of the animals both at home and while traveling. Current itineraries should be submitted to USDA in a timely manner.
