### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30am on 2/26/2025. The inspector contacted the licensee via phone and learned that the licensee was away from the facility, and no one would be available for inspection within an hour. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
