MISCELLANEOUS.

A facility representative was not available to allow access at approximately 1130 on 03/11/2014.

An APHIS Animal Care went to the facility and there were workman working in the building. The inspector called the phone number found in our database. The inspector was told the business office was offsite. The inspector spoke with a representative from the company and was told they were in the process of setting up the offices and would let the inspector know once they were moved in.
