Registration.

It was determined that a new registrant now occupies and conducts business at the Southern Research Institute - Frederick Research Center (site 002). After speaking with representatives of Southern Research Institute on April 5, 2022, it was confirmed that the company has not conducted regulated activity or housed animals at this site since before their August 2021 USDA inspection of the facility. Southern Research Institute ceased operations at the Frederick, MD site on September 30, 2021. This change of operation had not been reported to the Deputy Administrator by certified mail within 10 days of the change. The Deputy Administrator must be notified per regulation. Correct by April 6, 2022.

NOTE: The facility immediately e-mailed notification to the Animal Care office on April 5, 2022 and followed with the required certified letter.

This inspection and exit interview were conducted with the facility representatives.
