### 2.54

#### Lost tags.

Three dogs were observed to not have their identification numbers; the licensee reports some dogs have lost their tags recently. Identification numbers are required and help track husbandry and health of dogs. If a dog loses a tag, try to find it or affix a new official tag as required in the regulations.

### 2.134(a)

#### Contingency planning.

A written contingency plan/program was not available for inspection. Maintaining a documented contingency plan for emergencies and natural disasters is required and helps a facility prepare for an emergency if it happens. Ensure to document and maintain a written contingency plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster.
