### Contingency planning.

\*\*\*The facility has not developed a written plan for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster.

A contingency plan identifying emergency situations or disasters the licensee might experience, an outline of the tasks or procedures to be taken, back up sources of food and water, etc, The plan shall identify the chain of command and who is to carry out the tasks. All personnel responsible must be trained on the plan.

Correct by August 31, 2023.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the facility representative.

All items must be in compliance within 2 more inspections or by October 4, 2023 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
