#### NOTIFICATION OF CHANGE OF OPERATION.

Qatar airlines shipped 2 puppies from South Africa to Dallas/Ft Worth on June 30, 2016 and held these puppies for greater than 24 hours. Qatar airlines does not currently hold an active registration with USDA for the Dallas/Ft Worth site. Covered species should not have been received or held at this facility.

The Dallas/Ft Worth site needs to be registered with USDA if Qatar intends to continue shipping animals in and out of this location.

To be corrected immediately.

#### INFORMATION AS TO BUSINESS; FURNISHING OF SAME BY DEALERS, EXHIBITORS, OPERATORS OF AUCTION SALES, INTERMEDIATE HANDLERS, AND CARRIERS.

On June 30, 2016 Qatar airlines shipped 2 puppies from South Africa to Dallas/Ft Worth. A Customs and Border Control Officer contacted USDA when the consignee did not meet the flight on arrival. On July 5th USDA attempted to follow up on these puppies. According to Qatar employees the puppies were held at Qatar cargo for greater than 24 hours and eventually picked up by the consignee. When USDA requested records confirming the shipment, length of time in transit, and confirmation of proper care, feeding, and housing until the puppies were released to the consignee Qatar was unable to find any records associated with the puppies. Qatar requested time to find the records and confirmed they would send via email or fax. As of July 15, 2016 those records have not been supplied.

Carriers and intermediate handlers must furnish to any APHIS official any information requested in connection with the enforcement of the provisions of the AWA. The information shall be furnished within a reasonable time.

Records for future animal shipments at any of Qatar's sites must be available for review by USDA officials within a reasonable time (within 1 or 2 days).
