INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The last IACUC meeting at this facility was held September 19, 2014. At the time of inspection, there was no scheduling for a future IACUC meeting. The IACUC must meet and review the research facility's program for humane care and use of animals at least once every six months. The Animal Welfare Act should be used as a basis for the evaluations. This semiannual evaluation is necessary to assess facility adherence to regulations and standards and comply with the semiannual reporting requirement to the Institutional Official. In the future facility program reviews must be conducted by the IACUC every six months.

2.31(c)(2)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

There was no record of a scheduled IACUC inspection available. The IACUC must inspect the research facility (including animal study areas) every six months using the Animal Welfare Act as a basis of evaluation. The semi annual inspection and evaluation is important to assess facility adherence to regulations and standards and comply with the semiannual report requirement to the Institutional Official. In the future animal facilities must be inspected by the IACUC every six months.
