Type: ATTEMPTED INSPECTION

Date: 30-APR-2018

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:03pm on 30-Apr-18.

Telephone contact was made with the license but she was unable to leave work. The licensee is strongly considering terminating her license at this time as she stated she has not conducted any business and probably will not have time to in the near future. A form was left for the licensee to send in with her certificate.
