Type: ROUTINE INSPECTION
Date: 19-JUL-2024

2.75(b)(1)

Records: Dealers and exhibitors.

At the time of inspection, the facility did not have acquisition and disposition records available for regulated animals, including two sugar gliders, in inventory. Accurate acquisition and disposition records of regulated animals is important to facilitate identification and tracking of regulated animals upon their removal from the current facility.

Correct by July 29, 2024 by ensuring the facility shall make, keep and maintain records that fully and correctly include all the required acquisition and disposition information, including: the name and address of the person from whom the animals were acquired, the USDA license number of the person if licensed or the vehicle license number and state and driver's license number and state if not licensed, the name and address of the person to whom an animal was given/sold, the date of acquisition or disposition, the species of animal and the number of animals involved. Records shall include any offspring born of any animal while in his or her possession or under his or her control.

This inspection and exit interview were conducted with the licensee.
