

## Inspection Report

---

Texas A & M University-Kingsville  
M S C 201, 700 University Blvd  
Kingsville, TX 78363

Customer ID: **1497**

Certificate: **74-R-0094**

Site: 001

Texas A & M University-Kingsville

Type: ROUTINE INSPECTION

Date: 24-MAR-2014

---

### 2.33(b)(2)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

There was an outdated bottle of oxytocin as well as outdated blood collection vials with medications used to treat the white tail deer. Outdated medications and other veterinary supplies may not be effective in treating and diagnosing diseases. Outdated medications and other veterinary supplies must be marked expired and removed from in date supplies to ensure appropriate methods are used in the prevention, control and diagnosing diseases and injuries.

CORRECT BY : 4-1-14

The inspection and exit briefing was conducted with the research compliance liaison and IACUC chair.
