A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:42 PM on 16-May-2024. The inspector attempted to contact the licensee by knocking on the door and calling the phone number on file. The licensee was able to be reached but was not available for inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
