NOTIFICATION OF CHANGE OF OPERATION.

Animal Care inspectors went to the address listed for the facility and pulled into the driveway of the residence (the address was for a residential home). Upon exiting the vehicle, the inspectors were greeted by the new occupants of the residence, who stated they had recently moved into the home and did not know the registrant. A registrant shall notify the AC Regional Director by certified mail of any change in the name, address, or ownership, or other change in operations affecting its status as an exhibitor, carrier, or intermediate handler, within 10 days after making such change. These notifications are important so that the Animal Care inspectors can conduct their routine inspections.
