Type: FOCUSED INSPECTION

Date: 02-OCT-2024

2.1(a)(1)

Requirements and application.

The exhibitor is operating a petting zoo at the Fayette County Fair in Fayette, AL featuring USDA regulated animals (a kangaroo and a dromedary camel). Exhibitor offers feed for purchase for petting zoo animals (to include the dromedary camel) and kangaroo encounters at an additional fee. A USDA official purchased a ticket and walked through the fair, where members of the public were present viewing the animals. The USDA official then introduced themselves to the facility representative and stated that a USDA license is required to exhibit animals such as kangaroos and camels. No regulated activities may be conducted until a USDA license is obtained.

This inspection was conducted by purchasing a ticket and walking through the fair unannounced. The exit interview was conducted with a facility representative.
