2.75(a)(1) REPEAT

RECORDS: DEALERS AND EXHIBITORS.

There continues to be three adult cats and five kittens that are not listed on the facility's record of animals on hand (APHIS form 7005). Also the disposition records (APHIS form 7006) from 2013 do not contain all required information. They do not have the seller or donor information or the dates of disposition of the kitten's recorded.

The facility's animal inventory records need to be current and up-to-date with all required information in ensure for the proper tracking of the animals.

All cats/kittens need to be listed on the facility's record on animals on hand to ensure that facility records are complete, accurate and contain all required information. Also disposition records must contain all required information.

Inspection and exit interview conducted with licensee.

End of report.
