Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:15 pm on 1/22/2025. The Inspector arrived at the facility gate and called and texted the licensee. The licensee responded that she was not at the facility and would not be available for inspection today. The Inspector then left the premises. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
