Miscellaneous.

A contingency plan has not yet been developed at this facility. Contingency plans ensure that facility employees know the proper actions to be taken to care for the animals during an emergency /disaster.

Research facilities must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster (one which could reasonably be anticipated and expected to be detrimental to the good health and well-being of the animals in their possession). CORRECT BY : 4/30/2023

This inspection and exit interview were conducted with a facility employee.
