ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

There is an adult female French bulldog name Blondie with microchip # 471D473968 that was noted to have a swelling around the right eye with profuse leakage of tears and also at the corners of the eye a white/green exudate was observed. The eye itself was kept closed and presents a white cloud inside. The attending veterinarian has not been informed of this issue; the owner is treating the dog with an over the counter remedy.

This dog needs to be seen by the attending veterinarian. Documentation of the diagnosis, recommended treatment and treatment of the dog must be maintained.

All animals need to be observed daily and any problems of health, behavior or well-being need to be reported to the attending veterinarian to ensure the health and well-being of the animals.

The licensee contacted the veterinarian and make an appointment for this dog during the inspection.
