2.126(c) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

The licensee is currently in travel status and did not submit a written itinerary to the Animal Care Regional Director prior to traveling with the animals.

The itinerary shall be received by the AC Regional Director no fewer than 2 days in advance of any travel and shall contain complete and accurate information concerning the whereabouts of any animal intended for exhibition at any location other than the person's approved site.

(1) The itinerary shall include the following:

- (i) The name of the person who intends to exhibit the animal and transport the animal for exhibition purposes, including any business name and current Act license or registration number and, in the event that any animal is leased, borrowed, loaned, or under some similar arrangement, the name of the person who owns such animal;
- (ii) The name, identification number or identifying characteristics, species (common or scientific name), sex and age of each animal; and
- (iii) The names, dates, and locations (with addresses) where the animals will travel, be housed, and be exhibited, including all anticipated dates and locations (with addresses) for any stops and layovers that allow or require removal of the animals from the transport enclosures. Unanticipated delays of such length shall be reported to the AC Regional Director the next APHIS business day. APHIS Regional offices are available each weekday, except on Federal holidays, from 8 a.m. to 5 p.m.

Original correction: To be corrected for all future travel

This was cited during an inspection at a previous travel site.

Inspection Report

A bag of a vitamin and mineral supplement which is fed daily to two Zebras was left open and stored unprotected. Supplies of food must be stored in facilities which adequately protect against deterioration, molding, or contamination by vermin. A storage system that adequately protects supplies of food must be in place. Corrected during the inspection.

An exit briefing was conducted with the facility representative.

The inspection was conducted in Las Vegas, NV.
