### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:20 PM on 03SEP2024. The inspector attempted to contact the licensee by phone but was contacted shortly after by the licensee via text messaging whereby the licensee indicated she would not be available. The licensee was then notified of the forthcoming attempted inspection report as a result. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
