2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:15 pm on 3/3/2025. The inspector attempted to contact the licensee by knocking on the door and speaking to a family member who stated no one was available for an inspection until that evening. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
