3.82(b) CRITICAL

FEEDING.

Twenty Five macaques did not receive food for a period of six days . The lack of food caused poor body condition in 2 animals which resulted in their euthanasia. The lack of food was due to a miscommunication between employees. Non human primates must be fed at least once a day. The facility has now assigned an employee to ensure daily husbandry of all animal rooms has occurred.

CORRECT : From This Day Forward

The focused inspection and exit briefing was conducted with the attending veterinarian and the site director.
