### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:42 PM on 1/7/2025. The inspector attempted to contact the licensee by knocking on the door and speaking to a family member who stated the licensee was not home and calling the licensee and leaving a message. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
