Inspectors arrived at the facility at 1:07pm on February 22, 2017. VMO Dominique Engel called the licensee to inform him that USDA inspectors had arrived to conduct an inspection of the facility. Licensee told the inspector that he was going to have construction performed on his driveway that afternoon and an inspection would not be able to be conducted. VMO Engel told the licensee that if they were unable to conduct an inspection, then this would be considered an attempted inspection. Licensee confirmed that he understood.
