Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30pm on 08 August 2024. The inspector attempted to contact the licensee/registrant by provided phone number, leaving a message and honking the car horn. The inspector could not knock as the security gate was closed. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
