

Inspection Report

Oak Mountain State Park
200 Terrace Drive
Pelham, AL 35124

Customer ID: **327265**

Certificate: **64-C-0214**

Site: 001

OAK MOUNTAIN STATE PARK

Type: ROUTINE INSPECTION

Date: 27-JUN-2014

3.125(a) REPEAT

FACILITIES, GENERAL.

***At the entrance of the pigs enclosure there is a considerably large gap below the fence that could potentially allow the animals to escape or unwanted animals to enter resulting in injury or illness of the animals. The outdoor housing facilities shall be structurally sound and shall be maintained in good repair to protect the animals from injury and to contain the animals.

3.130

WATERING.

***The water for the 2 pigs was dirty and full of mud. The water trough should be cleaned more frequently to ensure that the pigs are receiving potable water. Potable water should be accessible to the animals at all times for the health and comfort of the animal. All water receptacles shall be kept clean and sanitary. Correct Immediately.

The exit briefing was conducted with the Ranger and Farm Supervisor.
