### 2.1(b)(1)

#### Requirements and application

The licensee moved their business to a new address. The licensee notified Animal Care of the move on March 23, 2023, which, per the licensee, was not at least 90 days before they moved to the new address. The licensee has not obtained a new license. A licensee shall notify Animal Care no fewer than 90 days and obtain a new license before any change in address. The licensee must not conduct any regulated activity until they have obtained a new license.

CORRECT BY: 4/10/2023.

### 2.40(a)(1)

#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The facility does not employ a full-time veterinarian and there was no written program of veterinary care for the licensee's new address and new veterinarian available at the time of inspection. The licensee had an old Program of Vet Care on hand from her previous attending veterinarian but lacked a completed one for her new veterinarian. A written program of veterinary care is required for facilities which do not employ a full-time veterinarian. The licensee, in coordination with the attending veterinarian, must provide more specific information on the type of products used at the facility and the frequency of use. This is not considered to be adequate veterinary care when information on how the licensee provides veterinary care for all animals have not been recorded. The licensee must ensure that the program of veterinary care is updated with current preventive practices to ensure that all animals are provided adequate veterinary care. The program
