RECORDS: DEALERS AND EXHIBITORS.

Section 2.75(a)(1)

The following APHIS forms 7006 list a buyer and address to which the puppies were never actually sold or delivered. These puppies were sold and delivered to a pet store in Rhode Island that claimed to the licensee that these people would be the end buyers, though this was not true.

APHIS form 7006 dated 5/22/2017 Puppy ID number 17-085.

APHIS form 7006 dated 05/22/2017 puppy ID number 17-090.

APHIS form 7006 dated 10/24/2107 puppy ID number 16-102, 16-086, 16-103 and 16-104.

APHIS form 7006 dated 07/05/2016 puppy ID number 16-057.

APHIS form 7006 dated 11/17/2016 puppy ID number 16-115.

APHIS form 7006 dated 05/2017 puppy ID number 17-100, 17-101, 17-102, 17-103, 17-093, 17-094, 17-095, 17-096, 17-097, 17-098.

APHIS form 7006 dated 11-4-2016 puppy ID number 16-105, 16-106, 16-107, 16-108, 16-109.

APHIS form 7006 dated 05/13/2017 puppy number 17-066, 17-067, 17-068, 17-069, 17-071, 17-072, 17-073.

APHIS form 7006 dated 10-24-2016 puppy ID number 16-102.

APHIS form 7006 dated 04/10/2017 No puppy ID number can be seen on the form for two puppies.

APHIS form 7006 dated 05/22/2017 puppy ID number 17-091.

The inaccurate buyer information was also listed on the health certificate and transportation waybills.

The transportation records show a phone number for all the buyers with the same number with a Rhode Island area code and prefix number. These puppies are sold to different buyers in different states but the transportation records show them going to a person in Rhode Island for pick up.

An inaccurate APHIS form 7006 hinders the APHIS official's duty to verify the buyer and buyers address to ensure correct information discloses the disposition of dogs under your control. If you use an agent to broker a sale you are still responsible to ensure accurate information is listed on the APHIS form 7006.

The APHIS form 7006 must be filled out which fully and correctly discloses the required information of dogs purchased, donated, euthanized and otherwise disposed of by that of the dealer.

To be corrected on all future APHIS 7006 forms.
