Veterinary care for dogs.

Fecal testing has not been performed on adult dogs in accordance with the schedule that was approved by the Attending Veterinarian. Fecal testing for puppies has been performed in accordance with the Program of Veterinary care. Failure to follow a written and Attending Veterinarian approved schedule for sampling and treatment of parasites and other pests can lead to a delay in treatment for the animals in the facility. Correct by ensuring that sampling and treatment of parasites and other pests in accordance with a schedule approved by the Attending Veterinarian is followed. Correct by 04-August-2025.

This inspection and exit interview were conducted with the Facility Representative.
