Requirements and application.

This was a search inspection.

The facility has continued to conduct regulated activity without a license from USDA APHIS Animal Care. The inspectors arrived at approximately 4:10pm on 21-August-2024 at the Otter Adventures exhibition at the Western Idaho Fair at the Expo Idaho Fairgrounds, Boise, Idaho. The exhibit was located in the sponsor's pavilion. Approximately 100 members of the public were seen observing the five oriental small-clawed otters. A sign was posted for shows at 2:00pm, 4:30pm, and 7pm daily from August 16-25th 2024. The Otter Adventures are also advertised on the Western Idaho Fair Facebook page and their website with dates and times the otters are on display. The 4:30pm show was observed. The licensee stated that their presence was sponsored by a local car dealership. They solicited donations to be placed in the red donation boxes in front of the exhibit.

Conducting regulated activity without a USDA license does not comply with the Animal Welfare Act or ensure that APHIS officials can assess the care of the animals. The facility must obtain a license from the USDA to continue conducting regulated activity under the Animal Welfare Act. Continuing to conduct regulated activity without a license is a serious violation of the Animal Welfare Act.

This inspection and exit interview were conducted with facility representative.
