Type: FOCUSED INSPECTION
Date: 26-JUL-2017

*** This is a focused inspection limited to the brown and white, female guinea pig cited under veterinary care section 2.40(b)(2) as a direct noncompliance on the July 25, 2017 inspection report. The guinea pig was examined by a licensed veterinarian on July 25, 2017 and was treated for her injuries and medication was provided to the licensee for continued treatment. Proper documentation was provided by the licensee.

**** Also, the Program of Veterinary Care(PVC) was updated and signed by the attending veterinarian as well.

No non-compliant items identified during this inspection.

This inspection and exit interview were conducted with the facility representative.
