### 2.75(b)(1)

#### Records: Dealers and exhibitors.

The acquisition and disposition records were not current. The records for several animals that have either been acquired (opossum) or have left the facility (hedgehogs, degu, skunk, chinchilla, sugar gliders) since the last inspection were either incomplete, missing, or unavailable at the time of the inspection.

Per this Section of the Regulations, exhibitors shall make and maintain complete records regarding the details of the acquisition and disposition of animals in their possession order to account for all animal transfers and the sources of the animals, and these required records shall be available for review at the time of an inspection.

The Licensee needs to ensure that the complete acquisition or disposition information is recorded for these animals as well as for all future animal transactions. Correct by 10/16/21.

This inspection and exit briefing were conducted 9/16/21 with the Licensee.
