### 2.8(h)

#### NOTIFICATION OF CHANGE OF NAME, ADDRESS, CONTROL, OR OWNERSHIP OF BUSINESS.

\*\*Upon arriving at the address the inspector noted the facility did not appear to be occupied. There was overgrown grass and bushes in the front yard in addition to several unopened newspapers in the drive. An attempt was made to call the licensee, however, the call was forwarded to voicemail. A note was posted on the front door indicating the facility had been uninhabitable since June 5, 2015.

\*\*The owner failed to inform the AC Regional Director about the change of address in a prompt manner.

\*\*Due to the condition of the property and the note on the front door, it is clear the owner did not notify the AC Regional Director about any changes within 10 days as required.

\*\*The licensee shall promptly notify the AC Regional Director by certified mail of ANY change in the name, address, management or substantial control or ownership of his business or operation, or of any additional sites, within 10 days of any change.
