### 3.1(a) Critical

#### Housing facilities, general.

An adult female German Shepherd Dog ("Mindy" ID# 48821-2) disappeared from the facility on July 16, 2022. A second adult female German Shepherd Dog ("Tab" ID#48121-6) disappeared from the facility on July 17, 2022. The licensee suspects that both dogs were stolen because neither dog was ever located.

Housing facilities for dogs and cats must be designed and constructed so that they are structurally sound and kept in good repair so that they protect the animals from injury, contain the animals securely, and restrict other animals from entering.

Correct by ensuring that all dogs are housed in enclosures that are constructed and maintained so that they protect and contain the animals within. Correct by January 17, 2023.

This inspection and exit interview were conducted with the licensee.
