A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:48 PM on 7/28/2025. The inspector attempted to contact the licensee by knocking on the facility door and spoke with the licensee's wife who stated that no one was available to conduct the inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
