2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:30 on 05/25/2016.

The licensee's daughter-in-law indicated that the licensee and his family were away for a wedding and would not return until later that day. She was not able to accompany the inspector as she did not have adequate knowledge of the kennel operations. Lack of access to conduct the inspection completely prevents regulatory oversight by APHIS Officials. Correct by ensuring that a designated, knowledgeable representative is available to accompany APHIS Officials on inspection during regular business hours. If needed, contact your home APHIS inspector to establish Optimal Hours for Inspection, consisting of at least 3 hours a day, 3 days a week Monday-Friday 7am-7pm.
